Red Table Wine

This wine is 81% Cabernet Sauvignon, 11% Pinot Noir and 8% Zinfandel. This blend of premium grape varieties has been aged in small oak barrels.

The aroma is fruity and spicy with a nice touch of oak. The flavor is dominated by Cabernet Sauvignon and is complexed with the background flavors of the Pinot Noir and Zinfandel. Early drinkability when released will make this wine immediately appealing. It should continue to improve three to five years past the vintage date.

Total acidity 0.66% by volume, pH 3.65.
